Hi. I hope you had fun last night. I made a phone call to two people. I can't seem to get in touch with anybody I don't know if it's because it's a weekend but I don't have a gynecologist yet mine retired I was wondering if Dr. Jack could make A phone call and find out about a serious situation. Or ask his wife.

We just landed. Instead of leaving Saturday morning. We had to leave this morning and had 3 hour delay.
We will be back Friday - not sure what flight yet.
How was your trip?

The hotel room In McCallen Texas.   No fun!!

Houston was great , but with the five hour plane delay we missed everything just slept and got up in the morning. I had croissant. Bob left at 7:30 am for an event and then straight to the airport.
I wish we could have stayed in Houston for fundraisers.

Where is the house? I'll ask him when he wakes up . We were awake until 3am.
I have a meeting for autism at 8 am so I'm up and getting ready .
Last night was fun. Probably right after seeing the house because I don't think he will be up much before
